STATE ROUTE 330 UPDATE ***SR-330 TO CLOSE FOR CONSTRUCTION***

San Bernardino County – Caltrans will remove a section of State Route 330 (SR-330), which will close the route for approximately three weeks beginning Tuesday, October 3 at approximately 8:30 a.m. The removal of an additional lane became necessary when Caltrans geologists determined that the erosion exceeded above the centerline of the highway.

Caltrans will completely remove the section of highway at the lower slope repair nearest to Highland Avenue on SR-330. This will insure a complete repair of the lower slope.

Escorts will be available on SR-330 through the morning of October 3 from 5:30 to 8:30 a.m. SR-330 will close at 8:30 AM and remain closed for approximately three weeks. No escorts or passage will be available on SR-330 during the full closure.

Once the repairs are made and the road reopens two lanes will be available to motorists, one in each direction. Intermittent flagging may take place throughout the remainder of the project. Delays will be minimal. The project is expected to be complete by Thanksgiving.

Detour to Lake Arrowhead, Running Springs and Green Valley Lake, using SR-18 from SR-30. Detour to Big Bear and Fawnskin using SR-38 (take I-10 to Orange Street in Redlands, exit and go east, then turn right on Lugonia Avenue, which turns into SR-38).
